VIP and Relax tipis at Big Weekend, Coventry

The British Army

Army festivals, plus a number of smaller events

Events and weddings

We run them too, a full season every year since 2016

Tipis, bars, power and styling. One person to call.

No more juggling a tipi company, a bar company, generator hire and a stylist. We do it all, and you deal with one person from the first call to the last tipi coming down. Just need the tipis? Of course, we're very happy to provide those on their own too.

Hello, we're Martha and Nick

We started JAVA Tipis on 16 June 2016 with just two tipis, and it's still very much our family business. Nick is the calm one who makes sure every build runs like clockwork, and I'm the one you'll be chatting to from your very first call. When you book us, you get us.

Award winning · Hitched Wedding Awards winner 2026 · Herefordshire

javatipis.co.uk

One tipi or eight, linked

From a single Kata Giant Hat tipi up to eight joined into one large space, and we can source more from trusted partners.

We can create a space for people to eat, a brand activation, a VIP tent or a relax tent. We've even created a staged podcast area, with branded neon lights, green velvet Chesterfield sofas, festoon lights and a living plant installation. The ideas are endless.

Just need the tipis? Of course. We're very happy to provide the tipis on their own, built and taken down by our crew.

Green Man festival site

Tipi pricing

Single tipi, with lighting and matting	**£1,650**
Each link between tipis	**£200**
Rustic trestle tables, each	**£22**
Tipi benches, each	**£11**

All prices plus VAT. Build and take down by our own crew. Delivery quoted separately. For multiple tipis we are happy to look at better pricing.

What's included

- Kata Giant Hat tipis, single or linked
- Fairy lighting and coir matting as standard
- Full build and take down by our own crew
- Rustic trestle tables and tipi benches available
- Our own trailers and kit
- One team and a single point of contact

Not all tipis are created equal

We've seen plenty of tired canvas and crews who vanish once the poles are up. Ours are premium Kata Giant Hat tipis, built and styled by our own trained crew, and signed off with you before a single guest walks in.

Bars, power and styling, all from one call

BARS

Fully staffed mobile bars

Run by our own trained, uniformed team, inside a tipi, or out in the open when the weather allows. Ideal for VIP and hospitality areas, crew bars and corporate events.

No minimum spend. Unlike most bar companies, we never ask for one.

POWER

We source the generators

No mains on site? We source generators sized for your tipis, bars and lighting, so there's one less supplier for you to chase.

STYLING

Styled in house

Drapes, rugs, pouffes, cushions, low tables and lighting from our own stores, plus branded activations for your partners.

NEW THIS SEASON

Living plant installations

A greener way to dress VIP and chill out spaces.

THE USUAL WAY

A tipi company, a bar company, generator hire and a stylist. Four quotes, four contacts, four crews on site, and you in the middle holding it all together.

WITH JAVA TIPIS

One quote, one crew and one person to call. We plan, build, power, style and run it, so you can get on with your event.

Everything your team will ask us for

FOR FESTIVAL ORGANISERS

Compliance pack, ready to forward

- Public liability insurance
- Health and safety statement and risk assessments
- Method statements for the build
- Fire risk assessments
- All our managers hold a personal licence
- Crew in hi vis jackets with all the right safety equipment
- All electrical kit PAT tested

Self sufficient on site

- Our own trailers and kit
- Around 3 hours to build each tipi and about half that to break down
- Generators sourced if required
- Each tipi is 10m in diameter

Bars built for festival crowds

- Python runs where required
- Branded bars, POA
- Extra staffing at peak times
- Card and cashless tills to suit your attendee numbers and bar size

Working together

A straight hire fee, a share of the bar takings or a sponsored brand space. We'll find what works for your site.

FOR CORPORATE CLIENTS

One point of contact

Book our full bar service and event management comes free. One person plans and runs the whole thing with you.

Clear pricing

Our tipi prices are set out clearly on page 2. Brand activations and branded kit are priced on application, so each one can be tailored to your brief.

Your brand, front and centre

Branded activations, your logo on the bar, custom signage and space for your own banners. All POA.

Professional from start to finish

Trained, uniformed crew, with insurance and risk assessments ready for your compliance team.

Flexible on dates and places

Weekday dates, quick builds, estates and hotel lawns. Payment by bank transfer.

Greener by design

Bio ethanol firepits, living plant installations and reusable branded cups, to help you hit your green targets.

Army festivals

Trusted on festival sites

The VIP tipi and the Relax tipi at BBC Radio 1's Big Weekend in Coventry, various Army festivals and a number of smaller events.

We also run events and weddings every season, so we know exactly what it takes to keep a day running smoothly.

BBC Radio 1's Big Weekend

How it works

1

Send us your dates, site and the space you have in mind

2

We plan the layout and send one quote covering everything

3

Our crew builds, styles and powers it, then signs it off with you

4

We run the bar, then take down and leave the site clear

One person, from first call to derig

Tipis, bars, power and styling all come through me, so you only ever have one number to ring.
